Due to significantly increased operating costs, the AFDA Board of Directors raised the fire district member dues rates for the first time in over ten years. The fire district member dues rates were increased 30% percent beginning in 2024. The increased funding will be used to support AFDA's ongoing education, training, and advocacy programs. Thank you for your continued support.

Note for Tax Purposes: AFDA dues are not deductible as a charitable contribution for US income tax purposes, but may be deductible as a business expense. AFDA estimates that 100% of your dues are not deductible because of AFDA's lobbying activities on behalf of its members. We suggest you contact your tax advisor for specific guidance.
